小論文			

【試験時間 60 分】

Choose one of the following and write a 400-500 word response in English. Circle the number of the topic that you choose.

1. What do you think is the most important issue facing the world? Describe the problem in detail, and explain what human beings should do in order to fix or avoid the problem.
2. What do you think is the most significant technological innovation of the past 200 years? Describe the technology in detail, and why you think it is the most significant.
3. People attend college or university for many different reasons (for example, new experiences, career preparation, increased knowledge). Why do you think people attend college or university? Use specific reasons and examples to support your answer.
4. Discuss an accomplishment, event, or realization that sparked a period of personal growth and a new understanding of yourself or others.
5. If you could spend time (for example, have lunch or dinner, or maybe just meet for coffee) with an important historical figure, who would it be, and why would you want to spend time with that person?

Write your answer below:

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
